Dear Dan:

Attached is a Contract Fund Status Report for Contract CDP1 -1 similar to the one which we submitted to you on 13 February 1959. It contains a breakdown by customer and system of the funds authorized and total costs incurred as of 30 November 1959. As all of the work has essentially been completed under this contract, we can assume that this is a pretty firm estimate of the funds remaining barring any minor accounting and overhead adjustments.

Sincerely,

Jack
